## Terms & Conditions (Technical)

1. The building offered must be vacant, free from all encumbrances/claims and legal or other disputes etc. Documentary proof w.r.t the ownership of the Building and the absence of any encumbrance, claim and legal or other disputes must be submitted along with the offer document..
2. Owing to nature of work, it would be strongly preferred that the area offered for rent should be a standalone building (commercial) for exclusive use by the department. If it is to be shared with others, then floors offered should be contiguous. **Layout plan of the building should be attached with offer document.**
3. The premises should have proper connectivity with local transport.
4. The building should be sufficiently ventilated and should have natural lighting.
5. The building should preferably be for exclusive use i.e. entirely for the usage of this Department. The Building offered should be ready to be occupied.
6. The area surrounding the building and approach road leading to the building should not be congested and the front road / approach road should be preferably 10 feet wide. Surroundings of the building, space available within the premises of the building, approach road leading to the building, traffic congestion in and around building and other related factors will be important criteria to decide the suitability of the offered premises.
7. The owner/landlords will have to construct cabins/partitions, stationery room, record room, toilets etc. as per Department's requirement/ Department's plan and make modifications/alterations in the premises if so desired by the Department **at his own cost** before handing over possession..
8. The layout of the offered space should be suitable for Govt. office.
9. False ceiling, light fittings, power sockets etc. should be provided as per design by the tenant. The building should have adequate toilets facilities separately for ladies and Gents on each floor of the proposed area.  
Throughout the period of lease, maintenance (civil, electrical, mechanical, plumbing including consumables etc.) shall be responsibility of the owner and the owner shall also carry out periodical repairs also. No additional/ separate charges shall be paid for the same by the Department.
10. The building should adhere to the fire safety norms prescribed & conform to the fire fighting norms.
11. The building in which space is offered should have easy and convenient approach and having adequate parking space. Parking should be provided in the same building

offered for hire.

12. The building should be in ready to use condition within one month from the date of communication of hire letter, with electricity, water, sewerage, firefighting equipments and adequate toilet facilities.
13. The offered space should have separate electricity supply and having sufficient installed electricity load and water connection. The electric power available should be indicated. The owner / landlord shall provide separate electric meter, separate water meter and sewerage connections at his own cost before handing over possession. These connections should be in the name of the owner / landlord and the consumption charges of the water supply, electricity and sewerage shall be paid by the hirer.
14. Additionally, the building should have power supply for essential services and common area lighting..
15. All Building services such as Power supply, Plumbing, Toilets, and Sewerage System should be fully operational at the time of submission of the offer by the Landlord. All internal and external walls should be painted with good quality paint at the time of handing over the premises. This would obviate any wastage of time and lead to smooth running of the office right from day one.
16. The building should be operative 24 x 7 so that the office work beyond normal working hours and on non-working days is not hampered or stalled.
17. The building should be under proper maintenance and having all the general facilities viz: permanent arrangement for adequate supply of potable water (separate overhead tanks should be provided for drinking water) and sufficient water for toilets, wash-basins, housekeeping, other cleaning purposes etc on 24 x 7 basis.
